172/2024 HR Matter

Members **CONSIDERED** a recommendation from the staffing committee. **It was then PROPOSED, SECONDED and unanimously APPROVED that the following resolution be accepted by full council, and that HR would be advised of the council's decision on this matter.**

It is clear to the members of the town council that the Town Clerk working from home would have a huge impact on the Council's finances, staff, confidentiality and to the face to face services that it provides. Therefore, the Council regretfully decided that home working cannot be accommodated, and because of this there are no other alternative roles that can be offered as the office consists only of the Clerk and Deputy Clerk.
